## Declaration according to regulation (EU) 2019/2021 (POP)

Regulation (EU) 2019/2021 about persistent organic pollutants (POP) deals with the protection of the human health and the environment against these substances by a preferably early elimination of production or accordingly by the limitation to a minimum regarding manufacturing, placing on the market and usage of these substances.

Furthermore, the regulation defines provisions about waste which consist of these substances, in which these substances are contained, or which are contaminated by these substances.

We hereby declare that according to regulation (EU) 2019/2021 there are no persistent organic pollutants in the products, fabricated, processed or traded by W. Köpp GmbH & Co. KG.

The statements made here are mainly based on the information given by the manufacturer, their suppliers and our suppliers for our entire product portfolio. Those statements were not corroborated by laboratory analyses.

Please note that this statement only applies to the condition of the material when shipped from our factory or processing site. W. Köpp GmbH & Co. KG will not assume any liability for other materials or processes used in combination with the products mentioned here.
